

POLK CITY FOUR SEASON FESTIVAL

FRIDAY, JULY 23RD & SATURDAY, JULY 24TH

Once again this year Polk City is having their Four Seasons Festival. They have activities planned for both days. Friday set up will start at noon and your booth needs to be open by 3PM and I ask that you stay open till at least 6 p.m., but this year Polk City is going to allow us to stay open later if you would like. Last year they had quite a few people in the square later. They will once again have their beer garden with music, also they will have a other children's activities that night in addition to a steak fry. Saturday morning you will need to be open by 10 a.m., the parade starts at 10 and people like to come early to look around so if you would like to open earlier we have no problem with that and you must stay open till at least 4 p.m. but again are welcome to stay open later. The town has a full schedule of activities planned for both days, this show has really been growing the last couple years, Hope you join us this year. Cost for two days is same as last year \$35.00, fill out form below and mail back : Again this year we will not allow Knives,guns,etc. And the City of Polk City and Mary Howland will not be held liable for any damage done to your merchandise due to weather or theft. The square is patrolled by the local police and we have not ever had any problems in the past. Mary 515-771-5982
